

WARNING: INJURIOUS TO EYES

CAUSES SKIN IRRITATION

READ THIS WARNING BEFORE USING.

Contains Portland Cement.

Contact with wet (unhardened concrete, mortar, cement, or cement mixtures) can cause skin irritation, severe chemical burns, or serious eye damage. Avoid contact with eye and skin.

Wear waterproof gloves, a fully buttoned long-sleeved shirt, full length trousers, and tight fitting eye protection when working with these materials, if you have to stand in wet concrete, use waterproof boots that are tight at the tops and high enough to keep concrete from flowing into them. If you are finishing concrete, wear knee pads to protect knees.

Wash wet concrete, mortar, cement, or cement mixtures from your skin with fresh, clean water immediately after contact. Indirect contact through clothing can be as serious as direct contact, so promptly rinse wet concrete, mortar, cement, or cement mixtures from clothing. Seek medical attention if you have persistent or severe discomfort. In case of eye contact, flush with plenty of water for at least 15 minutes. Consult a physician immediately.

KEEP OUT OF REACH OF CHILDREN

USER AGREES TO CONVEY THIS WARNING TO ALL PERSONS WHO MAY USE OR COME INTO CONTACT WITH WET (UNHARDENED) CONCRETE, MORTAR, CEMENT OR CEMENT MIXTURES.

The above recommended labeling is attributed to U.S. Consumer Product Safety Commission Compliance Officer Mary F. Toro.
